A 3D Voyage
Through and Beyond our Solar System

Explore strange and exciting planets and moons in our Solar System! Discover the latest news, as our search continues to find distant planets around stars other than our Sun in our Galaxy - ALL IN 3D!

Evening shows held weekly in McMaster’s 3D theatre from 8pm to 9pm (visit origins.mcmaster.ca for exact dates)

- Dates and ticket reservations online at origins.mcmaster.ca
- Cost $5 per seat, payable at the door
- Rush tickets available at the door on a first-come, first-served basis – after ticket-holders have been seated
- Latecomers cannot be admitted
